

## **INVITATION TO BID-SALE OF WASTE/ USED PRINTING PAPERS**

Hand in Hand Eastern Africa wishes to dispose used papers i.e printing papers. This is inline with our vision and mission statements and directly linked to our project Eco-Entrepreneurship Project.

The project aims at mobilizing and training over 14,000 members through equipping them with skills on eco-entrepreneurship who will then create 9,000 enterprises and 12,000 jobs. Another impact will be the creation of 2,900 green enterprises which is 30% of the enterprises.

In this regard, we have more than 70 reams of papers and more to sell.

We invite you to come visit for survey to enable you bid for the same.

Kindly let us know when you would wish to visit our office for survey.

Looking forward to hear from you soon!

The bidding will be closed by close of business 16<sup>th</sup> August 2019.
